13 - What did the teaching assistant do well? What areas could the teaching assistant improve upon?	
Gwenhwyfar Hartshaw	
Response Rate	3/21 (14.29%)
<ul style="list-style-type: none">• Did well about doing practice problems, improve upon going around and checking in with people doing work.• The course material was communicated clearly, and Gwen was very helpful. I have no suggestions for improvement.• She explains really well and understands the area very well. It is easy to approach her and ask for help and I always leave recitation knowing more than with what I came in knowing.
