**10 - Which aspects of this course were most valuable to your overall learning experience?**

**Response Rate** 3/22 (13.64%)

- The TA explained everything well in lab
- pre-labs
- I felt that being able to apply lecture concepts in lab setting was beneficial in more deeply understanding the topics covered in the course.

**11 - Which aspects of this course were least valuable to your overall learning experience? What improvements could be made?**

**Response Rate** 3/22 (13.64%)

- The prelabs could have been better
- none
- I felt that communication between the lab section instructor and students during the labs was difficult which made understanding the lab material difficult to complete if questions arose.
